

January Newsletter 2011

Lawn Care Is A Partnership

Happy New Year!

Welcome and we hope everyone had a wonderful holiday season. This is our first newsletter of 2011 and hope you find the information helpful and informative. Spring is just around the corner and whether your dreaming of a greener lawn, or beautifying your outdoor living area give us a call for a no obligation consultation.

2010 Tough Year for Lawns

Hopefully the lawns are getting some rest from the hot, dry summer. Lawns were stressed from the extremely dry conditions and high heat index's (100 degrees plus). These conditions weakened the plants and allowed late crabgrass to pop through along with nutsedge. Even with pre-emergent crabgrass treatment we still had breakthroughs. Lets hope for a better year in 2011; but this is Ohio, we'll see!!! You should be receiving your pre-payment lawn care letters this month; please look them over and if you have any questions please call 330-343-0858.

Keep Warm,
Jon Newell

Snowed in? Give us a call we can provide all your snow and ice removal needs. As always we will continue to provide exceptional service and information to keep you informed and hope you will remember to visit our website frequently. See you next month...
